

## World's Smallest 35mm Full Frame Camera

- Sharp, high-contrast Schneider S-Xenar 40mm f/3.5 lens providing brilliance and great depth of field, 57° angle of view.
- Size: only 1 1/4" x 3 3/4" x 2 3/8", ideal to slip into a shirt or coat pocket.
- Weight: 13 1/2 ounces.
- Aperture settings from f/3.5 to f/22 with intermediate click stops.
- Built in Gossen CdS exposure metering match-needle system coupled to aperture and shutter and film speed controls for simple and accurate exposures.
- Compur shutter speeds: 1/2 to 1/500 sec, bulb.
- EV Range: 4.5 to 18.
- Flash synchronization thru the hot shoe – at all speeds.
- Engraved bright frame in over sized viewfinder.
- Automatic exposure-counter reset.
- Film speed dial calibrated for ASA values – 25 to 1600 offering a world wide choice of films.
- All operational controls are visible from above.
- Fast film wind, accessory shoe, strap attachment, tripod socket.
- Picture format: 24 x 36 mm; 12, 20 or 36 exposures.
- Available in chrome and black leatherette or all black finish.
